Leah S. Palmer, Senior Campaign Finance Analyst
Federal Elections Commission, Reports Analysis Division
999 E Street, NW
Washington, D.C. 20463

Dear Ms. Palmer:

This letter is in response the Federal Election Commission (FEC) letter dated October 31, 2006 regarding the October Quarterly Report (07/20/06 - 09/30/06) filed on October 14, 2006 by Candice Miller for Congress (FEC ID# C00365593).

The committee mistakenly reported three records designated for the 2006 Primary Election after the Primary had taken place. These records should have been reported prior to the August 8, 2006 Primary Election. Also, the committee failed to list the state and office sought for disbursements it had made to other federal candidate committees.

The intent of this letter is to demonstrate to the FEC that the committee had received the contributions prior to the 2006 Primary Election and that these contributions were appropriately designated for the 2006 Primary. Furthermore, the committee will take the necessary action to amend its 2006 October Quarterly Report and date these contributions prior to 08/08/06 as well as list the additional information requested by the FEC concerning the disbursements to other federal candidate committees.

The Ford Motor Company Civic Action Fund (FEC ID# C00046474) contributed \$1,500 dollars to the committee on August 6, 2006. Please refer to the copy of the envelope from the Ford Motor Company Civic Action Fund postmarked 08/04/06. The contribution is considered made when the contributor relinquishes control over the contribution as defined by FEC guidelines under section (11 CFR § 110.1(b) (6)). The check is dated August 3, 2006 and is designated for the 2006 Primary Election. A copy of the check is enclosed for the record. The committee accidentally reported the contribution on 08/09/06 and will change the date on its amended report to reflect it had received the contribution prior to the Primary Election.

BUILD PAC Action Committee of the National Association of Home Builders (FEC ID# C00000901) contributed \$1,000 dollars to the Committee on August 6, 2006. The envelope was not postmarked and a copy of the envelope is attached for the record. However, the check is dated July 24, 2006 and it is designated for the 2006 Primary Election. A copy of the check is attached for the record. The committee correctly
